

Companies from the agri-food sector of our country will present their products, services and projects, as well as opportunities for international cooperation at the 8th thematic week “Agriculture and Food” from 12 to 20 February 2022 within the “Expo 2020 Dubai”.

All interested businessmen from this sector have the opportunity to apply for participation in the World Exhibition.

During their stay in Dubai, the members of the business delegation will also have the opportunity to visit the food industry fair “Goodfood”, which is being held in the United Arab Emirates from February 13 to 17.

Participation in the World Exhibition is provided to Serbian businessmen with preferential conditions, which include a free air ticket (charter flight Belgrade-Dubai-Belgrade), free local transfers, accommodation at discounted prices in selected hotels, as well as free use of the Serbian Business Hub in the free zone South Dubai.

Under the slogan “Connecting minds, creating the future”, the world exhibition “Expo 2020 Dubai” started on October 1, 2021 and will last until March 31, 2022, Novosti reports.
